## MAPD

Medicare Advantage Plans, sometimes called “Part C” or “MA Plans,” are offered by private companies approved by Medicare. If you join a Medicare Advantage Plan, you still have Medicare. You’ll get your Medicare Part A (Hospital Insurance) and Medicare Part B (Medical Insurance) coverage from the Medicare Advantage Plan and not Original Medicare

## MEDICARE SUPPLEMENTS

A Medicare Supplement Insurance (Medigap) policy, sold by private companies, can help pay some of the health care costs that Original Medicare doesn’t cover, like copayments, coinsurance, and deductibles.

## PRESCRIPTION DRUG PLANS

Medicare Part D, also called the Medicare prescription drug benefit, is a United States federal-government program to subsidize the costs of prescription drugs and prescription drug insurance premiums for Medicare beneficiaries. In order to avoid a late enrollment penalty, creditable drug coverage through a private insurer or government benefit is required.
