What is CHAMPVA?

- CHAMPVA is a health care benefit program for family members of Veterans with a permanent and total service-connected disability, provided they don't qualify for TRICARE. (TRICARE is the Department of Defense's health care program for active-duty and retired service members and their families.)
- CHAMPVA is not an insurance policy, but it shares the cost for care and will pay as secondary to any other health insurance.
- Family members can enroll in CHAMPVA by completing and mailing a [CHAMPVA application form](#) and Other Health Insurance certification form.
